Pacific Gas and Electric Company (“PG&E”) and Pacific Generation LLC (“Pacific Generation”) provides this Notice of Availability (“NOA”) for the Application to request authorizations and determinations by the California Public Utilities Commission (the “Commission”) to allow PG&E to transfer substantially all of its non-nuclear generation assets to Pacific Generation, a new PG&E subsidiary, which will facilitate a sale of up to 49.9% of the equity interests in Pacific Generation (the “Minority Equity Interests”) to one or more third party investors (“Minority Investor(s)”) (collectively, the “Proposed Transaction”), and for appropriate related authorizations, determinations, and ratemaking treatment.
